## IMPORTANT REMINDERS

As you go through this reading plan, here are some things to consider:

1. **Pray.** Pray that God will speak to you through his Word before you begin.
2. **Plan.** Your schedule can get hectic. Plan when you will read and set yourself up for success.
3. **Partner.** Find someone that can keep you accountable. Partner together with a friend or your family to keep each other on track.
4. **Persist.** Don't quit if you miss a day or a week. If you missed yesterday, don't let that hinder you from today. Persist in reading!
5. **Present.** Don't keep all you are learning to yourself. Present a truth you learned through a conversation, letter, text, social media post, etc. Learn to present what you are learning to others!
6. **Prepare.** As you learn, begin preparing yourself regarding what you will read after this plan ends. If you stay consistent, you are developing a habit that you don't want to lose.
