

MINISTRY TRACKS

Each NYC participant selects one of the three ministry tracks for the week of ministry, either to adults (Streets & Parks) or to children (soccer camp, basketball camp). Whatever track you select, training materials and sessions will be provided to equip you to effectively share God's Story.

NYC '19

July 14-20, 2019

Streets & Parks: Minister to people from around the world by engaging in Gospel conversations at prayer stations and in parks throughout the city.

One Touch Soccer Camp: Minister to children through free soccer camps that emphasize all it takes is "one touch" for lives to change on the field and within the heart as you share God's love and His Story.

Above the Rim Basketball Camp: Minister to children through free basketball camps that help children focus on things "above the rim" as you share God's love and His Story on the court.

#GOSPELeverywhere

Go Tell is a part of the world-changing vision we call Gospel Everywhere.

This week long missions experience gives hands-on training for a lifetime of loving, confident Gospel witness. Vast multi-cultural encounters in New York City provide unparalleled opportunities for demonstrating the love of Jesus. By selecting one of three ministry tracks, participants minister to adults through prayer and conversation (Streets & Parks) or to children through free camps (Above the Rim Basketball, One Touch Soccer). They all return home with an urgency and enthusiasm to share the beauty of God's Story—and they are equipped and confident to do so.

Join us for Go Tell NYC, and make Gospel Everywhere your everyday mission.
